Our Mission: To effectively watch over our client's guests in their pool activities, creating a safe and fun atmosphere to be enjoyed by all.

Dear Lifeguard Applicants of Happy Swimmers,

The summer season is approaching, and I am currently looking to hire 8-10 highly competent, personable private lifeguards with strong safety backgrounds.

Happy Swimmers has been the cream of the crop since 1991. I hire the best and I pay the best of any swim company: \$75 for up to 3 hours, \$20/hr thereafter, plus client cash tips for great service (see bottom of page). I intend to have a small, responsive staff, working part-time to your schedule, take as many or few client gigs as you wish. Being your own boss (an independent contractor in tax terms), you can deduct all business expenses you have as a result of lifeguarding with us (gas, mileage, a portion of your car insurance, car payments, car maintenance, etc.) on a "Schedule C" for taxes, yay!

I look forward to your application and best wishes for the summer and beyond,

John Tyler
